For Immediate Release

Jaimee Nardiello of Zetlin & De Chiara LLP Recognized at City & State's Annual Above & Beyond Gala

New York, NY (March 28, 2018) – Partner Jaimee Nardiello of construction law firm [Zetlin and De Chiara LLP](#) has been selected as an honoree at [City & State's 7th Annual Above & Beyond Gala](#), receiving the Above & Beyond Award for Outstanding Women in Real Estate.

Ms. Nardiello is one of thirty remarkable women honored for their achievements at the ceremony. Honorees are women who have demonstrated exemplary leadership in their professional lives or through public service and who have distinguished themselves through their professional accomplishments across various sectors.

Ms. Nardiello falls into both categories. In her law practice, Ms. Nardiello focuses on protecting the rights of design professionals, contractors, owners and other members of the industry in litigation – where she stands out as a woman in New York's male dominated construction industry. She has successfully defended clients against several hundred million dollars in claims--winning dismissals, mitigating liability, and preserving reputations. As the current President of CREW New York, she is striving to make a mark on society by bolstering women in the commercial real estate industry.

An accomplished author, last year's *Guide to Federal Government Construction Contracts*, published by The American Bar Association (ABA), includes Ms. Nardiello's chapter on the complexities of architect-engineer (A-E) contracting. This spring, she'll be featured in *The Construction Lawyer*, an ABA magazine, as co-author of "Key Considerations for the Use of Peer Reviews in Construction."

Ms. Nardiello received her award at City & State's 7th Annual Above & Beyond Gala last night. For more information, visit: <https://cityandstateny.com/events/above-beyond-awards>

About Zetlin & De Chiara LLP

[Zetlin & De Chiara LLP](#), a leading construction law firm, provides sophisticated legal counsel and business advice to real estate owners, developers, institutions, design professionals, contractors, and other parties involved in construction projects in the United States. Many of its attorneys have direct experience with construction and design issues through their work as in-house construction counsel, education and training as architects and engineers, and by earning LEED accreditation. The firm provides counsel throughout the planning, design, and construction process — from drafting and negotiating contracts to advising on risk management strategies. Zetlin & De Chiara represents clients in litigation and alternative dispute resolution, and also advises on business formation, licensing and corporate issues.
